ERIC EJ numbers identify those journal articles indexed in Current Index to Journals in Education (CIJE). This ERIC publication directs researchers to educational or education-related articles from over 780 journals. Annotations describing over 1800 articles each month are arranged in the main entry section of CIJE according to EJ (ERIC Journal) number and are listed in subject, author, and journal indexes. Copies of journal articles annotated in CIJE are not available from the ERIC Document Reproduction Service but may be obtained from a local library collection, from the publisher, or (in most cases) from University Microfilms International.
